Skin Medica Product Special (15% off)

Scare away dead, creepy, witchlike skin cells with Skin Medica AHA/BHA Cleanser and Skin Medica AHA/BHA Cream.

Naturally derived alpha-hydroxy-acid (AHA) and beta-hydroxy-acid (BHA) help to exfoliate skin, reduce the appearance of wrinkles, and enhance skin tone.

Pumpkin Isn't Just for Pie!

Pumpkin is a major source of vitamins B and C, minerals, and antioxidants that contribute to a healthy, glowing complexion and protect your skin from free radical damage that causes wrinkles. Pumpkin promotes collagen production to improve skin tone and elasticity and it contains agents that fight acne and increase cellular turnover.

Purifying Pumpkin Facial \$99

A double cleanse and warm steam open your pores for a purifying treatment. Sonic vibration technology exfoliates your skin and promotes new collagen growth while giving your complexion a healthy glow. A gentle pumpkin enzyme exfoliation treatment followed by a warm pumpkin mask brightens, firms, and leaves your skin fresh and beautiful.
